

# PARKING INSTRUCTIONS: BREAK SOKOS HOTEL BOMBA

## *How to find best parking spots:*

### Staying at the spa hotel

In front of the spa hotel, there is a large parking area where you can park freely. However, take into account the spots for the disabled.

### Staying in the Karelian village

In the middle of the Karelian village, there is a parking area where you can freely select a suitable spot. You can also access the front of the Karelian village's rooms with a motor vehicle. However, please use the parking areas. The emergency routes shall not be blocked.

### Staying in holiday apartments

There are covered parking spots in front of the holiday apartments. There is a limited number of spots. If all covered spots are taken, you can use the spa hotel's parking area.

In the summer, the parking areas are free of charge. In the winter, there is a small fee for using a heating pole. All aforementioned locations have heating poles available.
