

WELCOME TO SOLO SOKOS HOTEL PAVILJONKI

This is how you'll find the best parking places:

We recommend parking at P-Paviljonki 2 car park which is located on Uno Savolan katu 6. Direct access to the hotel is available from park levels -1 and 3. There is also alternative P-Paviljonki 1 car park, located on Satamakatu 3. Direct access to the hotel is not available but the park is well located.

Parking payment can be made straight at the hotel reception or to the parking meter. The height limitations for the cars are 215 centimeters in P-Paviljonki 2 and 210 centimeters in P-Paviljonki 1 car park. In case your car exceeds the limitations you can find parking lot area right across the entrance of P-Paviljonki 2 car park or nearby the harbor, located on Satamakatu 8. When parking to these areas, please note that the payment can only be made straight to the parking meters according to their own rates.
